Turf Management Assistant Intern 2015
Boys & Girls Club of Corvallis

The Boys & Girls Club of Corvallis is in need of a Turf Management Intern to assist in the management of the Boys & Girls Club’s Williams Field in Corvallis. Under the guidance of the Athletic Director and Turf Management Intern Lead, this intern would have the opportunity to learn the ins and outs of maintaining one of the premier turf baseball/softball complexes for youth in the state of Oregon. With successful completion of this internship, this intern will ideally become the Turf Management Lead Intern in 2016.

Responsibilities Include:
- Mowing, fertilizing, seeding, prepping of fields (chalking), mound and home plate maintenance, landscaping maintenance, and maintenance of existing irrigation and drainage system for 4 main fields of baseball/softball and 4 mini-fields
- Assisting in development of a field maintenance schedule that includes watering and mowing
- Training team members on proper shutdown procedures for fields after use

Qualification:
- Have some experience with field maintenance and setup.
- Ideally be able to commit 20-24 hours a week, for spring.
- Be a self starter, able to meet deadlines, have good time management skills, have transportation to field, and have a basic knowledge of using required field maintenance equipment.
- Must be a sophomore or junior in academic standing, with an interest in taking over the Lead position in the 2016 spring.

The duration of the internship will be April – June (Spring Term)

There will be a stipend of $250.00 associated with this internship. Interns may earn academic credit while also being awarded the stipend. This internship will provide hands on professional development experience that also benefits the youth of Corvallis.

If interested please email a resume with three references to:
